STRATEGIC BMDA PARTNERS:

NEWS FROM BMDA MEMBERS

150TH ANNIVERSARY OF RIGA TECHNICAL UNIVERSITY

This year Riga Technical University celebrates its 150th Anniversary. RTU (originally Riga Polytechnicum) is the first tertiary education establishment in the territory of Latvia and the oldest technical university in the Baltic States. It was founded on 14 October, 1862, following the model of the Western poly-

technic institutes and the best traditions of that time.

Various scientific, culture and sports events, which involve university students, employees and academic staff as well as the general public, are organised throughout the year to celebrate the 150thAnniversary. Many

major events will be held before the Anniversary. We invite our partners and friends from other universities to take part in these events!

VU IBS AND THE FRANKFURT SCHOOL OF FINANCE & MANAGEMENT

Vilnius University **International Business** School (IBS) is expanding its network of partners in foreign countries and in June of this year signed a cooperation agreement with the Frankfurt School of Finance & Management. It is believed that consistent development and cooperation between these education

institutions will help not only carry out joint projects, but also pursue the exchange of lecturers and provide double degree options for the students of both high schools. Frankfurt School of

Finance & Management in Germany is famous as one of the best business & finance schools in the country, developing not only theoretical but also

practical knowledge of students. The school cooperates with a number of business organizations, financial institutions, carries out a number of projects related with consulting activities, so students are provided with excellent opportunities and prospects in the labor market.
